Welcome To Our 70th Show!

As President, and on behalf of the Tarrant County Junior Livestock Association (TCJLA) Executive Board, I would like to welcome all our exhibitors and their families to the 70th Annual Tarrant County Junior Livestock Show and 13th Annual Youth Fair!

We also wish to extend our gratitude to the Agricultural Science Teachers, Extension Agents and Adult Volunteers of Tarrant County for your leadership, knowledge and continued support. Your involvement and support make this event a success. “Thank you” to each and every one of you for your caring and supportive attitude. We look to our youth as the leaders of tomorrow and feel this is a very sound investment.

The Tarrant County Junior Livestock Association, Inc. is an all-volunteer, non-profit organization with over 100 committee members working year-round, giving their time and talent to host the Tarrant County Junior Livestock Show, Sale and Youth Fair.

The mission of the TCJLA is to promote and to sponsor the Tarrant County Junior Livestock Show, Sale and Youth Fair and other related activities with emphasis upon youth in the 4-H and FFA organizations.

The 70th Annual Tarrant County Junior Livestock Show will grant the opportunity for all Tarrant County FFA and 4-H youth to exhibit and compete with their projects on an equal and unbiased basis. I hope you enjoy this year’s Tarrant County Junior Livestock Show, Sale and Youth Fair. We look forward to seeing you there.

Sincerely,

R. L. Feldt

Foreword

The officers and directors of the Tarrant County Junior Livestock Association, Inc., congratulate the youth involved in Tarrant County's 4-H and FFA programs and who are participants of the 70th Annual Tarrant County Junior Livestock Show and 13th Annual Youth Fair.

Although we are encircled within a metropolitan area, we are excited that we continue to offer programs such as these, which involve the teaching of life skills and responsibilities to our youth that will be of value to them for years to come.

We would like to thank the Show Sponsors, Superintendents, Committee Chairs and all other individuals who offer their talents to help make this show what it is today. Our leaders of tomorrow will be found among our youth of today.

Tarrant County Junior Livestock Show & Youth Fair Ethics Form

Eligibility

“Exhibitor” means the legal owner of his/her animal/non-animal project(s). (Leased livestock projects are not allowed. If an Exhibitor is caught exhibiting a leased animal they will be penalized under the guidelines set forth by TCJLS&YF.)

Each Exhibitor shall be a member in good standing with a Tarrant County 4-H Club or FFA Chapter and shall be a student enrolled in a public, private or home school and not be beyond the 12th grade. TCJLS Livestock Exhibitors must own their livestock project(s) (leased livestock projects are not allowed). Exhibitors must have continuously and personally fed and cared for their animal projects or manufactured their non-animal projects under the direct personal supervision of the Tarrant County Extension Agent (CEA), their Agricultural Science Teacher (AST) or their 4-H Club Manager (4HCM) from the date of project validation through the Sale. No Exhibitor may substitute for any validated project after the validation date due to death, sale or other disposition of the project.

Exhibitors may enter the TCJLS&YF as either a 4-H or an FFA member, but not as both. Any Exhibitor who enters as a member of both 4-H and FFA shall have his/her entries disqualified without refund of entry fees. Exhibitors shall not participate in any other county show.

All Exhibitor entries in the TCJLS&YF shall be submitted to the TCJLA by the 4HCM/AST under whose personal supervision the Exhibitor’s projects were cared for, fed and/or manufactured. Each 4HCM/AST by signing the entry form certifies to the Tarrant County Junior Livestock Association (TCJLA) that the Exhibitor is the legal owner of his/her animal/non-animal project(s) and that the Exhibitor is eligible to enter and participate in the TCJLS&YF pursuant to the TCJLS&YF rules as published in the TCJLS&YF Rule Book.

At the time the TCJLA receives the Exhibitor entries from the 4HCM/AST, each Exhibitor is presumed to be eligible to participate in the TCJLS&YF by the TCJLA. Any 4HCM/AST who has an Exhibitor who becomes ineligible to participate in the TCJLS&YF according to the Texas Education Code, shall notify the Show Superintendent of such ineligible Exhibitor prior to 7:00 pm on the day of show weigh-in.

It is the personal responsibility of each CEA/AST/4HCM, each Exhibitor and the parents of each Exhibitor to have read, know, understand, and to fully comply with all rules of the TCJLS&YF and Sale as published in the TCJLS&YF Rule Book. It is the personal responsibility of each 4HCM/AST, each Exhibitor and the parents of each Exhibitor to carefully check the entry form for accuracy and to ensure that each Exhibitor is eligible to enter and participate in the TCJLS&YF.

Please note that submitting an online entry is your acknowledgment that you have read and understand the TCJLS&YF Rule Book, your agreement to fully comply with all the TCJLS&YF and Sale Rules and that the Exhibitor meets all eligibility requirements to enter and participate in the TCJLS&YF and Sale.

General Rules

1. **Interpretation and Violation of Rules:** Exhibitors are requested to report any rule violation(s) to the Show Superintendent immediately so that appropriate action may be taken. The Executive Committee reserves the final and absolute right to interpret these rules and settle and determine all matters, questions, and differences in regards thereto or otherwise arising out of or connected with, or incident to, the Show and to amend or add to these rules as its judgment may determine. Any exhibitor who violates any of the rules will forfeit all privileges and premiums and be subject to such penalty as the Executive Committee may order.
2. **Eligibility:** The TCJLS&YF is in support of all youth in Tarrant County, Texas. Exhibitors are individually and personally responsible for knowing and complying with all rules of this show.

Exhibitors must be a member in good standing of a Tarrant County 4-H Club or FFA Chapter and enrolled in a public, private or home school and not be beyond the 12th grade. Exhibitors must have continuously, personally, fed and cared for their own individual and personal animal/non-animal projects under the direct supervision of a County Extension Agent (CEA), 4H Club Manager (4HCM), or Agricultural Science Teacher (AST). No project may be substituted for any project after the validation date due to death, sale or other disposition of the project.

Exhibitors may enter as either a 4-H or FFA Member, but not as both. Any Exhibitor who enters as both, will have his/her entries disqualified without refund of entry fees. Exhibitors may not participate in any other county show.

All 4-H and FFA exhibitors are considered to be eligible by the Tarrant County Junior Livestock Association, Inc. (TCJLA) to participate in the Junior Livestock Show at the same time entries are received from the AST/CEA/4HCM. Any AST/CEA/4H-CM who has a member in his/her 4-H or FFA program who becomes ineligible to participate in the Tarrant County Junior Livestock Show, according to Texas Education Code, shall provide notification to the Show Superintendent prior to 7:00 pm on day of show weigh-in.

3. **Entry:** Entries shall be submitted by the 4HCM/AST under whose direct supervision the animals or projects were fed, cared for, and will be returned if the entry is turned in by others. The 4HCM/AST shall certify on the entry that the animal or project and the owner are eligible under the rules of the show. All livestock exhibitors must successfully complete the Quality Counts curriculum and on-line test with a passing score of at least 80. 4HCM/AST are responsible for making sure each exhibitor passed Quality Counts before signing the entry forms. It is the responsibility of the 4HCM/AST to read all rules and to check each entry carefully before signing. If entries are not correctly submitted, they will be returned.

Entries for each exhibitor from 4-H Clubs and FFA Chapters must be filed with the TCJLA no later than the time and date specified. Entries must be on-line with a ShoWorks Summary Sheet from the 4HCM/AST listing the owners and their entries along with one check to cover the total entry fees of all entries of each 4-H Club or FFA Chapter. Checks should be drawn on 4-H or FFA accounts. Personal checks from 4-H or FFA members will not be accepted. The ShoWorks Summary Sheet and check should be mailed in one package to:

5. **Partnerships:** Partnership animals are not eligible in the TCJLS.
6. **Exhibition of Entries:** The exhibitor/owner must be in attendance to exhibit and sell his/her own entry in the market show. If an exhibitor is determined to be academically ineligible, then the entry is ineligible.

 1. When an exhibitor has more than one (1) entry in a class, or

 3. When an exhibitor is participating in another approved school activity (Texas A&M AgriLife Extension, UIL athletic event, etc.). This request must be accompanied by a signed statement from the exhibitor's school principal or designee on school letterhead.

Steer Ultrasound Carcass Jackpot Class

Jackpot Class (Winner take all)

\$30 entry fee

(this will cover the technicians fee as well as entry to jackpot)

The purpose of this contest is to gain a better understanding of feeding cattle. This class will allow the exhibitor to gain a better understanding of how their steer will grade on the carcass rail, by looking at carcass traits such as back fat, intermuscular fat, ribeye area, carcass grade, and yield grade. It will also allow the exhibitor to understand that different breeds of cattle will grade/feed better than others and which breeds are more feed efficient in terms of average daily gain. This is largely based on individual as well as genetics, which will play an important role in the overall quality of animal. All of which will help the exhibitor calculate and understand the true market value of the calf he or she is feeding.

This class is strictly a jackpot class, meaning there will only be one winner to the class. The winner will be announced during the parade of champions Saturday before the sale.

The ultra-sounding will take place at the same time of steer check in, but the animal will first have to go through weigh in before going to be ultra-sounded. Ultra-sounding will be done in either a trim chute or squeeze chute. Images will be taken in 2 places, between the 12th and 13th rib and over the hip. (Cooking oil will be used in order to help with taking the images, so be prepared to bath your steer after this contest.)

No results will be given chute side PERIOD!!! Once all the information is collected the technician will send the images and reading to a lab to be read and results will be sent back in the form of an excel spreadsheet. Results will then be sorted by quality grade, ribeye area, intermuscular fat, and yield grade to determine the winner.
